

## The Order of Religious Profession Study Edition

*The Order of Religious Profession – Study Edition* offers both descriptions and outlines of the proper liturgical rites specific to men and women making their first religious vows or else renewing those vows. This study edition is ideal for the superior celebrating the rite and for those who may MC or otherwise plan the ritual or liturgy. Thus, it serves as an ideal resource for religious communities.

Per the USCCB, “This rite may be used in the Liturgy upon publication, and its use is obligatory as of the First Sunday of Advent, November 29, 2026. From that date forward, no other English translation of the rite may be used in the dioceses of the United States of America.” The new translation found in this edition carries the USCCB’s approval and was confirmed by the Apostolic See.

This volume includes everything from the rites of profession and initiation (for men and women) to the readings used on such occasions, from the optional Universal Prayer or Prayer of the Faithful to musical notation for various parts of the rite. This edition of *The Order of Religious Profession* also includes:

- Prayers of Blessing
- A Sample Formula of Profession.
- Texts for Mass.
- Other Texts to Be Used in the Rites of Religious Profession

All this is provided in a single, concise volume. The texts appear in the black and red lettering typical of ritual books. The large font size improves readability is optimal for use in the Mass (when vows are taken) or in extraliturgical rites, such as the rite of initiation. The layout is designed to reduce page turning during prayers, making for a smooth, uninterrupted recitation.
